Form 990, Part VI, Section B, Line 12c:

Annual notifications are given to all affected officers, directors, trustees and key employees along with a requirement for a signed conflict of interest statement. The conflict of interest policy is designed to identify situations that present potential conflicts of interest and to provide the organization with a procedure which when observed will allow a transaction to be treated as valid and binding. Any responsible member is required to disclose any potential conflict of interest before the board or committee thereof who shall determine without the interested individual if a conflict of interest exists. The responsible person shall refrain from any action that may affect the organization's decision regarding such contract or transaction and may not participate or hear the board or committee's discussion of the matter, is not counted for the presence of a quorum, and may not vote. The organization documents proceedings related to conflicts of interest in the meeting minutes or as otherwise appropriate. Schedule O (Form 990) 2021 132212 11-11-21 68
